

# AYZA MIZRAK MAKİNE

## STRONG 4.23 / EDGEBANDING MACHINE

15m/dk Kanal  
Açma

23m/dk Kanal  
Açmasız

Monoblok gövde yapısına sahiptir. Gövdesi tek seferde yüksek hassasiyet ile işlenmiştir.

Titreşimsiz ve yüksek hızda, yüksek kalitede çalışma sağlar. PLC Dokunmatik ekran kontrollüdür.

**Ağırlık/Weight:2480kg Uzunluk/Lenght: 6000mm Genişlik/Width: 860mm-Yükseklik/Height:1600mm**

It has a monoblock body structure. Its body has been processed with high precision in one go.

It provides vibration-free and high-speed, high-quality operation.PLC Touch Screen controlled.

Ön freze bıçakları / Pre-milling Blades: Leitz (Dia) Ø120mm

Elektrik komponentleri / Electrical components: *Omron (Japan), Schneider (France), Siemens (Germany)*

Pnömatik komponentleri / Pneumatic components: *Festo (Germany)*

Hareket komponentleri / Motion components: *THK (Japan)*

Güvenlik komponentleri / Safety components: *Pizzato (Italy)*

15m/min with  
grooving

23m/min  
without  
grooving

bant kalınlığı aralığı:

**0,4-2mm** edge tape thickness

min. max parça kalınlığı:

**8-60mm** min.max work piece thickness

min. iş parçası genişliği:

**80mm** min work piece width

ön freze frekans motoru:

**2x 3,5kW** pre-milling motors

baş son kesme motoru:

**2x12000rpm** front-back end cutting motors

alt üst freze motoru:

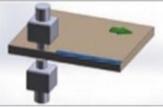

**2x18000rpm** milling motor

kanal açma motoru:

**1x 3,5kW** grooving motor

palet motoru:

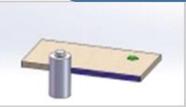

**3kW** conveyor pads motor

ayırıcı solvent  
separating agent

ön freze ünitesi  
pre-milling unit

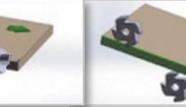

EVA/PUR tutkal  
EVA/PUR gluing

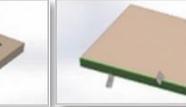

dörtlü baskı  
topu ünitesi  
four wheels  
pressing unit

solvent

radyuslu kazıma  
radius scraper

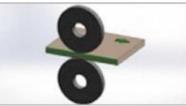

tutkal kazıma  
glue scraper

kanal  
açma/jumping  
Ünitesi  
grooving/jumping  
Unit

temizleyici  
solvent  
cleaning agent

polisaj  
ünitesi  
polishing

**Opsiyonel:**

ayırıcı solvent / separating agent

/

kaydırıcı solvent /sliding solvent

**Options:**

temizleyici solvent /cleaning agent

ön ısıtma / pre-heat: INFRARED

tutkal kazıma / glue scraper

otomatik üniteler / Manuel üniteler
